

## Statement of Purpose

- Evangelical Christian
- 501C3 not for profit through Hope for the Hungry
- Fully autonomous save our unity within the Body of Jesus Christ.

**We are therefore, focused on:**

**1. Education:**

*True Origin:* God knew each and every person and gave specific purpose for every individual before He formed them in their mother's womb (Jeremiah 1:5).

*Sexual and Reproductive Integrity:* Today's young people are dying for this information.

*Prenatal Life:* Life within the womb is a miraculous event. You are a miracle. We all are.

- 2. Evangelism:** "Sharing the bread of life to a starving world." Pray for, seek out, and reach persons not yet reached with the gospel as well as persons who have.
- 3. Restoration of Believers:** believers who have been deceived or fallen prey to their own sinful natures, especially in areas involving sexuality and reproduction need to find forever forgiveness, help in getting back on God's path for their lives, and inoculations against future attacks.
- 4. Peer and Professional Counseling:** Some people need more intensive one on one or group peer (conducted by a trained volunteer) or professional (referred to a licensed counselor or therapist) assistance while overcoming their unresolved sexual or reproductive issues.
- Equipping and Discipleship:** We teach others to use the Miracle You approach to sharing sexual and reproductive information with their children and young people. There are millions upon millions suffering unresolved conflicts involving sexuality and reproduction. The mission of this ministry can not be carried out by a few, there is a great need for more people to be trained in how to educate, evangelize, discipleship, and equip, then be sent out and assisted as they carry out the calling God has given them.
  - b.
- 5. Legislative Participation:** provide thoroughly researched medical and scientific evidence to legislative and other law maker groups
